A BREAKTHROUGH IN CLINICAL NUTRITION

Available in 12.5 mg or 25mg

Japanese who love a high sea veggie diet have the highest intake of iodine and the lowest rate of cancer... Coincidence? Physician & Researcher, David Derry, M.D., Ph.D., says NO.

We offer 6 iodine products including a high iodine multi and a high iodine vitamin cream

Iodine is "the most misunderstood nutrient."

David Brownstein, M.D.
author of the "best seller" Iodine Book
